EXHIBIT 1

AFFIRMATIVE ACTION AGREEMENT

This Affirmative Action Agreement (“Agreement”) is entered into as of the _____ day of _____, _____, by and between _____ (“Contractor”) whose place of business is _____ and **Friends of the North Country, Inc.** (“Grantee”) a **not-for-profit, private corporation** located at **1387 Hardscrabble Rd, Cadyville, NY 12918.**

WITNESSETH:

WHEREAS, the Grantee has contracted with the NYS Affordable Housing Corporation, NYS Homes and Community Renewal, or other publicly funded program (the “Corporation”) to accept a grant under the various Programs available.

WHEREAS, Grantee has contracted with Contractor to construct, rehabilitate or improve housing project (“Project”) located in the Clinton, Essex, and/or Franklin Counties, New York; and

WHEREAS, the Project is to be financed in part through the grant provided by the Corporation, and the Corporation requires as a condition of its grant that the Contractor agree to the provisions set forth herein to ensure that no individual is discriminated against on the basis of race, national origin, sex or creed;

NOW, THEREFORE, the parties agree as follows:

A. Affirmative Action Goals

The Contractor shall ensure equal employment opportunity for all individuals and shall incorporate this requirement in its subcontracts under the Project unless specifically exempted therefrom in writing by the Corporation. If the Corporation deems it appropriate, in its sole discretion, the Grantee shall engage an affirmative action officer acceptable to the Corporation to monitor compliance with the Corporation’s requirements under this Agreement by the Contractor and all subcontractors and furnish the Corporation with such reports as the Corporation requires to verify compliance.

B. Equal Employment Opportunity

The Contractor shall make every effort to achieve the goals set forth in the attached Exhibit A. If the Contractor fails to achieve these goals, the Contractor must demonstrate affirmative action efforts under the Project at least as extensive as the following:

1. Ensure and maintain a working environment free of harassment, intimidation, and coercion at all sites and in all facilities at which the Contractor’s employees are assigned to work under the Program. The Contractor shall specifically ensure that all foremen, superintendents, and other on-site supervisory personnel are aware of and carry out the Contractor’s obligation to maintain such a working environment with specific attention to minorities and women working at such sites or in such facilities.

2. Establish and maintain a current list of recruitment sources for minorities and women, provide written notification to these sources when the Contractor or its unions has employment opportunities available, and maintain a record of each organization's response.
3. Maintain a current file of the names, addresses, and telephone numbers of each off-the-street application from minorities or women and referrals from a union for a recruitment source for minorities or women and of the action taken with respect to each individual.
4. Disseminate the Contractor's nondiscrimination policy relating to the Project by providing notice of it to unions and training programs and requesting their cooperation in assisting the Contractor in meeting its equal employment opportunities obligations, by including it in such company publications as refer to the Project, by including it in any advertising including but not limited to any notices of available jobs, and by informing other contractors and subcontractors of it.
5. Review at least annually the Contractor's nondiscrimination policy and affirmative action obligations under this Agreement with all employees having any responsibility for hiring, assignment, layoff, termination or other employment decisions, including specific review of these items with on-site supervisory personnel such as superintendents and general foremen before the initiation of construction work at any job site. A written record shall be made and maintained identifying the time and place of these meetings, persons attending, subject matter discussed, and disposition of the subject matter.
6. Direct its recruitment efforts, both oral and written, to community organizations representing the interests of minorities and/or women, to schools with minority students, and to recruitment and training organizations serving the Contractor's recruitment area and employment needs for this Project. Not later than one month prior to the date for acceptance of applications for apprenticeship or other training by any recruitment source, the Contractor shall send written notification to organizations such as the above, describing the openings, screening procedures, and test to be used in the selection process.
7. Encourage present minority and women employees to recruit others similarly situated and, where reasonable, provide after-school, summer, and vacation employment to minority and women students both on the site and in other areas of the Contractor's work force.
8. Validate all tests and other selection requirements.
9. Conduct, at least annually, an inventory and evaluation of all minority and women personnel for promotional opportunities under this Project and encourage these employees to seek or to prepare for, through appropriate apprenticeship training, such opportunities.
10. Ensure that seniority practices, job classifications, work assignments, and other personnel practices do not have a discriminatory effect by continually monitoring all personnel and employment related activities to ensure that the nondiscrimination policy and the Contractor's obligations under this Agreement are being carried out.
11. Conduct a review, at least annually, of all supervisors' adherence to and performance pursuant to this Agreement.

12. Inform subcontractors of their obligations relating to the goals of minority employment and training.

13. The Contractor shall maintain written documentation of its activities pursuant to sections 1 to 12 of this Paragraph B, for a period until one year after completion of the project, in such form as will enable the Agency to verify compliance therewith, and which documentation shall be available during business hours, to the Agency or its representatives.

C. Compliance

1. The Contractor will maintain in a form approved by the Corporation monthly reports showing for each day the Contractor performs the number of minority and women employees in each trade used in the Project, the hours worked by minority and women employees and the percentage of total work force such number constitutes for each trade, and such other information as the Corporation may require. Such reports shall be completed within five business days of the end of each month and shall be available during business hours to the Corporation or its representatives.

2. The Corporation may conduct a compliance review at such times and in such manner, it deems necessary to effectuate this Agreement.

3. The Contractor will incorporate or cause to be incorporated the requirements of this Agreement in every subcontract the Contractor enters under this Project, unless, as approved by the Corporation, specifically exempted therefrom in writing by the Corporation.
